YONG-MAN JANG

VESSEL

25/7 – 23/8

Yong-Man Jang was born in Seoul.

He got a PhD, MEFA, and BFA degree in Kyung Hee University, KOREA. He had Solo Exhibitions 13 Times in Korea, CANADA, U.S.A, and JAPAN. Yong-Man Jang has experienced at The Banff Centre of the ART in CANADA as Residence-Artist. He was also an Invited Artist of the Long Island University in New York. U.S.A. At the present, he is a Professor of Department of Living Design in Sangji University, Korea.

He thinks the substance of the ceramic is the harmony. The place, Korea where the artist was born is representing the beauty of East's Ceramic's Art.

He tries to combine a traditional ceramic of Korea and contemporary design. This expresses 'The Table-ware' to put the food newly.
